PUBLIC PRESENTATIONS

The primary purpose of the 4-H program is to help each boy and girl reach his or her maximum growth and development, and it's in this area that public presentations make their greatest contribution. Public presentations help strengthen the 4-H program by giving members the opportunity to participate. The more members are involved in demonstrations, illustrated talks, project talks, and public speaking, the more interested they become in meetings and in project work; consequently, the longer they remain in 4-H.

Public presentations contribute to help youth achieve the basic life skills of developing self-confidence, making decisions, communicating and relating to others, and encouraging and stimulating their desire to learn. 4-H Day has long sponsored demonstrations and illustrated talks, project talks, and public speaking. All are under the umbrella of "PUBLIC PRESENTATIONS."

PROJECT TALKS

PROJECT TALKS are intended for younger 4-H'ers to help them gain confidence in expressing themselves before an audience. They tell of their actual project experiences, information relating to the project, and can promote a project. The purpose is to inform.

1. For 4-H'ers 7-12 years old.
2. Time: recommended 3 to 4 minutes, 7 minutes maximum.
3. Topics may be on a 4-H project or an aspect of a project a 4-H'er is currently enrolled in.
4. Questions are not asked.
5. Visuals encouraged, but not required.
6. PowerPoint is allowed in this category. A computer projector with an HDMI connection will be provided if requested by the entry deadline. Bring two hard copies of the presentation in case of technical difficulties. No internet access will be provided.
7. Includes three parts:
 - Introduction*- the opening statement and attention-getter.
 - Body*- the main part of the talk, tells the main idea of talk, illustrate or explain important facts in developing the main idea.
 - Conclusion/Summary*- summarize the major points of the talk.

DEMONSTRATIONS & ILLUSTRATED TALKS **(JUNIOR & SENIOR DIVISION)**

DEMONSTRATIONS are defined as a "show-how" process involving doing or making something while giving an explanation. The demonstrator uses actual items, supplies, equipment, people, or animals while going through a process. There should be a finished product to show. Sometimes a finished product is not possible, but it does enhance a demonstration, is highly suggested, and may influence the ribbon placing.

ILLUSTRATED TALKS are defined as a "tell-how" process where the presenter uses visuals such as posters, charts, models, graphs, etc. to aid in emphasizing a point or to add interest while telling how to do something. Visuals **are** required in the "telling how."

DEMONSTRATION & ILLUSTRATED TALKS -- JUNIOR DIVISION

1. A demonstration is a “show and tell” type of presentation. An illustrated talk **tells how** rather than shows how.
2. For 4-H’ers 7 to 12 years old.
3. Time: recommended 4 to 7 minutes, 10 minutes maximum.
4. Either individual or team presentations.
5. All necessary equipment provided by 4-H’er.
6. Topic may be related to 4-H projects currently enrolled.
7. Questions are asked.
8. Summary is required at the end of the presentation.
9. The endorsement of brand names is discouraged.
10. PowerPoint is allowed in this category. A computer projector with an HDMI connection will be provided if requested by the entry deadline. Bring two hard copies of the presentation in case of technical difficulties. No internet access will be provided.

DEMONSTRATIONS & ILLUSTRATED TALKS -- SENIOR DIVISION

1. A demonstration is a “show and tell” type of presentation. An illustrated talk tells how rather than shows how.
2. For 4-H’ers 13 years old or older.
3. Time: recommend 5 to 10 minutes, 15 minutes maximum.
4. Either individual or team presentation.
5. All necessary equipment provided by 4-H’er.

PUBLIC SPEAKING

PUBLIC SPEAKING is intended to assist older, more experienced members to further develop confidence and skill in speaking before an audience. Note cards are recommended over sheets of paper, if necessary for speaking.

1. For 4-H’ers 13 years and older.
2. Time: recommend 5 to 7 minutes, 15 minutes maximum.
3. Visuals are optional. They should enhance the talk - not distract. No posters or PowerPoint presentations allowed.
4. Topic selection is unlimited.
5. **Outline required for judge.** (Judge will deduct one ribbon placing if outline is not available.)
6. Questions may be asked.

TALENT

Development of the individual talents of young people has always been an objective of Kansas 4-H programs. In the performing arts, skills are only refined by repeated experience in performing them. Club Day provides an ideal structure to allow 4-H'ers to perform in a wide variety of areas.

It is hoped that this experience will be so rewarding that members will choose to repeat their performances for multi-county and other statewide events. There is no better learning experience in the performing arts than the "learning-by-doing" experience with caring feedback offered at Club Day.

Clubs are encouraged to plan a model meeting that depicts a typical monthly meeting of their 4-H Club. The meeting may be designed to suit the needs and interests of the 4-H Club members.

REGIONAL CLUB DAY MODEL MEETING GUIDELINES:

1. The agenda for the model meeting must be presented to the judge **before** the meeting is called to order.

3. During the model meeting, the secretary should take notes. After the meeting, the secretary should turn in model meeting notes to the judge. Completed minutes and up-to-date secretary's book (prior to the model meeting) **are required**. No other officer's books are required.
4. When sitting at the table, the president should always be to the right of the secretary and the American Flag should be to the president's right, so that the American Flag is always farthest right of anything on the table. This puts the 4-H flag on the president's left, in front of the secretary.
5. A program (demonstrations, project talks) should be included in the model meeting.
6. **NO RECREATION AT REGIONAL.**
7. Meetings will be scheduled 45 minutes apart. Clubs should plan to set up, complete the model meeting, and exit the room in the 45 minutes allotted.

EXPLANATION OF MODEL MEETING SCORE CARD

Note the five main divisions of the model meeting score card and the relative importance given to each division.

1. **Business.** Follow the order of business as given in the So You Are President of Your Group, 4-H 471. Planning the business meeting to display 4-H'ers skills in conducting a meeting and their ability to use correct parliamentary procedure. There will not be time for lengthy discussion of motions. The parliamentary procedure used should expedite, and not obstruct business. Naturalness and alertness are as important in the business meeting as in the program.
2. **Reports** should give interesting, valuable information. They should be complete, but concise.
3. **Ceremonies.** There should be one major ceremony such as initiation, installation, placing a seal on the charter, older 4-H'er "graduation" leadership recognition, citizenship, or other ceremony in addition to routine opening and closing ceremonies. Ceremonies should be well done and impressive. Originality is desirable, but it is more important to have a ceremony be meaningful and impressive. Ceremonies may be used where appropriate in the meeting.
4. **Program.** Arrangement of the program may be worked out to please the club. "Balance" of program refers to the approximately equal participation by boys and girls. The time division between parts of the program should approximate that of a good local 4-H meeting. Time divisions for a model meeting will usually fall within these limits:

Opening ceremony and business- **(12-14 minutes)**; program - **(14-16 minutes)**; recreation - **(4-5 minutes)**; and closing ceremony and announcements - **(2 minutes)**.

Songs should show appreciation of good singing. Games, stunts, and skits should be adapted to the age of the group and should teach teamwork. One game involving rhythm and coordination is desirable. Quality of program means accuracy, timeliness, and value of the information presented or entertainment given and excellence of delivery.
5. **Attitude.** Naturalness, alertness, enthusiasm, and teamwork are desired. The presentation should give the impression of an actual 4-H meeting. Look at and talk to 4-H'ers, not to the audience. Each 4-H'ers contribution to the program should be heard by the audience, but not directed to them. The seating arrangement may be as desired for the best hearing, seeing, participating, and effective use of space.
6. The secretary shall give the judges the notes recorded during the meeting. Notes or minutes prepared beforehand are not acceptable. The up-to-date 4-H Secretary's Record Book should be submitted with the notes.

GAVEL GAMES PARLIAMENTARY PROCEDURE CONTEST RULES

TEAMS

This contest will consist of teams of four 4-H members from a club who act as officers for a model 4-H business meeting. One additional 4-H member may participate on the team as an at-large member (optional). All senior division team members will randomly select their officer position (president, vice president, secretary treasurer, member [if a 5 person team]) upon entering the contest room. Junior division teams will not be required to draw for offices and may assign positions prior to the contest. Each team will be allowed a maximum of 20 minutes to give its oral presentation.

The two divisions for this competition are Junior (7 to 12 years old) and Senior (13 years and up). If a team is comprised of mixed ages, it will compete in the division of the oldest member's age level.

NOTES

The following information sheets are the only notes that can be used during the oral presentation of this contest.

GAVEL

The gavel is a symbol of authority. It is used by the person presiding to keep the meeting running smoothly and orderly. To use the gavel properly, the presiding officer should stand squarely and firmly on both feet. He or she should grasp the handle of the gavel firmly and rap the table or gavel block authoritatively with well-spaced raps.

Several raps - to get the attention of the group/restore order

Two raps - to call the meeting to order

Three raps - to have the group rise

One rap - to seat the group

One rap - to indicate completion of a business item (when a motion passes or fails)

One rap - to adjourn the meeting

FLAGS

When sitting at the table, the president should always be to the right of the secretary and the American Flag should be to the president's right, so that the American Flag is always farthest right of anything on the table. This puts the 4-H flag on the president's left, in front of the secretary.

* **Take from the Table**

Option A. In new business you can table a motion and then later in new business take that motion from the table and finish action.

Option B. When the president asks for any unfinished business the secretary should say, “this is a special parliamentary procedure presentation with a tabled motion in unfinished business”. Another member then needs to properly take the motion from the table to finish the action without prompting from the president.

** **Withdraw** - Various circumstances require different handling of this parliamentary problem.

Option A. If the person making the motion wants to withdraw his own motion, after it has been seconded but before the chair presents the motion to the assembly (by saying “The motion before the house is...or It has been moved...”) the person only needs to say “I wish to withdraw the motion” and if no one objects, the motion has been withdrawn and no further action is needed.

Option B. If the motion has been made, seconded, and presented to the assembly, anyone may address the chair and say “In light of...(whatever new information or argument) I wonder if (name) would like to withdraw their motion.” The chair then asks the person making the original motion if they want to withdraw the motion. That person may address the chair saying “I ask permission to withdraw my motion. OR No, I do not want to withdraw the motion.” If the maker of the motion wants to withdraw the motion, the chair then asks if there is any objection. “Unless there is objection (pause) the motion is withdrawn.” If there is objection to withdrawing, there must be a motion to withdraw by another member, “I move that permission to withdraw be granted” (there is not a need for a second since the person wishing to withdraw the original motion and the person moving that permission be granted both agree) and a vote.

*** **Rescind a Motion**

It is impossible to rescind any action that has been taken as a result of a motion, but the unexecuted part may be rescinded. Notice must be given one meeting before the vote is taken, or if voted on immediately, a 2/3 vote to rescind is necessary.
